Undecided FTIAC Retention Rates*

- Pre-FYAC 2011: 62%
- FYAC 2014: 75%

Student Evaluation Results

Students provide feedback on their experience in the FYAC through an evaluation administered each year. Using a four-point scale, students** responded to the following statements:

- My adviser was approachable: 3.88
- My adviser provided help in a timely manner when I contacted them: 3.79
- My adviser provided clear answers to my questions: 3.83
- My adviser reviewed requirements for my major: 3.92
- My adviser demonstrated knowledge of OU: 3.83

**1,940 first-year students completed the evaluation in 2015-2016
The First Year Advising Center welcomes and supports new students and their families during their transition to university life. Our holistic orientation and academic advising services connect students to campus resources, promote student involvement and communicate university expectations.

On Average 92% of students complete their required appointment each semester.
